Education

GLA University, Mathura B.Tech in Computer Science	June 2028 CGPA: 7.19
M.P. Memorial School & Hostel, Varanasi Intermediate	March 2024 71.2%
Sunbeam Suncity School, Varanasi High School	March 2022 74.8%

Projects

Smart Resume Analyzer (ML + NLP)

- Built an ML-based web application to analyze resumes, extract skills, and classify job roles using NLP techniques.
- Developed a Flask-based system to match resumes with job descriptions and generate relevance scores.
- Trained models on 1200+ resumes using evaluation metrics like accuracy, precision, and recall.

Cyphers HackItOut – AI Web App (Hackathon)

- Developed an AI-powered web application using Streamlit for real-time insights and predictions.
- Designed backend logic and interactive UI under tight hackathon deadlines.
